

REGIONAL CHILD ABUSE PREVENTION COALITIONS

In an effort to support and maintain strong and effective local Child Abuse Prevention Councils (CAPCs), the Office of Child Abuse Prevention funds the statewide Regional Child Abuse Prevention Coalition grants to assist each local county CAPCs and the broader community in their prevention efforts. As part of this grant, regional child abuse prevention coalition coordinators are available to assist and support local communities in each region of the state. For assistance, contact the coordinator designated for your county.
